

Quarantine treatment options for worms (and scab)

This information is provided by SCOPS as a guide. SCOPS does everything within its power to ensure the information is up-to-date and correct but product choices remain the responsibility of the prescriber and user. Always read the manufacturer's instructions before use. Withdrawal periods are subject to change and it is the user's responsibility to ensure withdrawal periods are adhered to.

Choose your risk category from the three options and then carry out ALL the treatments shown in your choice of either the gold, silver or bronze columns.
